EXPERTISE, EFFICIENCY HALLMARKS OF NEW REAL ESTATE FIRM IN NORTH TEXAS

DALLAS, TX (July 24, 2018) – Two real estate veterans with 20 years of experience are teaming up with a Dallas attorney to create a new real estate experience, Knob and Key Realty.

Broker and owner Michelle Ozymy and real estate agent Alan Simonton have joined Chris Parvin, managing attorney of the Parvin Law Group, P.C., to create a unique experience for North Texas residents seeking to buy or sell a home.

“Knob and Key Realty is the premier realty group in North Texas that can help clients with everything from residential real estate to commercial real estate,” said Parvin, who specializes in estate planning, probate, and business law. “We recognize that the home is the number one assets most families have. It’s the biggest investment most of us will ever have. But more importantly, it’s also the place where the family connects. It’s the soul and heartbeat of the family.

“With Knob and Key, we’ve assembled a team of experts that absolutely care about you and your family and are going to help each client effectively and efficiently meet their real estate goals.”

Formerly of JH Realty Group, Ozymy and Simonton are excited about helping local residents navigate the area’s more historic and eclectic neighborhoods. Despite the name change, Ozymy said much of her team’s focus and work ethic will remain the same – providing expertise in the fast-paced North Texas real estate market and putting client priorities first.

“Knob and Key Realty is an exciting opportunity for Alan and I to bring our 20-plus years of real estate experience to Central and North Texas,” said Ozymy. “We have sold more than 1,000

homes in the past decade and look forward to continuing this work for years to come. Our goal is to find our clients the perfect home where they can make the most memories.”

Knob and Key Realty has already begun expanding its services and roster of real estate agents. In addition to the Dallas and Waxahachie/Midlothian markets, the company includes team members in Waco and the surrounding area. Simonton said Knob and Key’s new website, www.knobandkeyrealty.com, enables buyers and sellers to connect directly with agents who can help them quickly and expertly.

“Whether you want to buy a house or sell a house, our new website is a one-stop shop. You can check out our featured listings, get great information about living and working in North Texas, and even check out our team,” Simonton said. “Our goal is to make it easier for people to connect with our services and we know our new Knob and Key website will do just that.”
